

Michigan Weavers Guild Presents a Workshop by

# Nancy Peck – Exploring Summer & Winter March 22, 23, 24, 2012

Nancy is well-known in the weaving world for her handwoven garments and for her various positions in the Handweaver's Guild of America.

Summer and Winter offers an excellent opportunity to explore a weave structure, allowing a variety of patterning possibilities from one warp. A very useful, shaft efficient, threading arrangement, it can be used to produce exciting fashion and decorator fabrics. We will start with traditional summer and winter weaving methods and go on to learn how to weave variations. A 4 or more shaft loom is required for the workshop.

A lecture on Summer and Winter by Nancy will follow the program on Saturday, the 24th from 1:00 – 2:00 p.m.
